Menlo Park CA 94025-1105**

In re Application of :
Robert WARNER et al. : **ON PETITION**
Application No. 10/695,932 :
Filed: October 29, 2003 :
Atty. Docket No.: RDA-0002 :

This is a decision on the petition under 37 CFR 1.137(b), filed October 28, 2011, to revive the above-identified application.

The petition is **GRANTED**.

The application became abandoned for failure to reply in a timely manner to the non-final Office action mailed September 26, 2006 (Office action), which set a shortened statutory period for reply of three (3) months. No extension of time under the provisions of 37 CFR 1.136(a) was obtained. The application became abandoned December 27, 2006. A Notice of Abandonment was mailed April 3, 2007.

The petition satisfies the conditions for revival pursuant to 37 CFR 1.137(b) by including (1) a reply in the form of a Response to the Office action mailed September 26, 2006, (2) a petition fee of \$930, and (3) a statement of unintentional delay. The reply is accepted as having been unintentionally delayed.

It is not apparent whether the person signing the statement of unintentional delay was in a position to have firsthand or direct knowledge of the facts and circumstances of the delay at issue. Nevertheless, such statement is being treated as having been made as the result of a reasonable inquiry into the facts and circumstances of such delay. See 37 CFR 10.18(b) and Changes to Patent Practice and Procedure; Final Rule Notice, 62 Fed. Reg. 53131, 53178 (October 10, 1997), 1203 Off. Gaz. Pat. Office 63, 103 (October 21, 1997). In the event that date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional, petitioner must notify the Office.

Telephone inquiries relating to this decision should be directed to Robert DeWitty, Petitions Attorney, Office of Petitions (571-272-8427).

The application will be referred to Technology Center Art Unit 2618 for consideration of the filed Response.

A handwritten signature in black ink, appearing to read "R. DeWitty", is written over the printed name.
